ESTIMATED TOTAL:	\$20,593.00 (in-state) \$27,145.00 (out-of-state)

*Please note that this is only an *estimated* tuition cost based on the tuition calculator from the Controller's office (<https://onestop.fiu.edu/financial-aid/tuition-and-fees/index.html#coa>) and may fluctuate per the academic year. Exact tuition cost and fees should be confirmed through the One Stop office (<http://onestop.fiu.edu>).

**Off-campus housing estimates are based on an individual's costs for renting an apartment, including utilities. Rental costs are based on a bi-annual survey of law student housing costs. The estimated annual food cost is based on costs of meals (\$4,440) established by the US Department of Agriculture liberal food plan.

***All interns are required to have health insurance. Documentation of health insurance coverage is required prior to beginning the internship. More information can be found in this handbook under Insurance Requirements.

**** Florida International University carries professional liability protection for its student enrolled in health practitioner programs.
