### **Criminal History Notice**

Students are advised that the vast majority of agencies require a criminal background check prior to final approval for field placement. Students with certain criminal backgrounds may be ineligible for field placements due to Florida Statute (F.S.) Chapter 435, thus, impacting their ability to complete the social work program. The School of Social Work will *not* place any students with disqualifying offenses in any agency, regardless of agency policies. Furthermore, students are advised that Florida and most other states may restrict or deny social work licensure for persons with a felony conviction. Students with disqualifying offenses *must* have an exemption from the Florida Department of Children and Families by the due date for field applications in order to move forward in the field process.

If you have **any** criminal background, please see Prof. Jennifer Abeloff *before proceeding* with the social work program.

In signing this notice, you are acknowledging that you have read the Criminal History Notice and understand that you must seek advisement from Prof. Abeloff if you have any sort of criminal background before continuing with the social work program. *Failure to meet with Prof. Abeloff may result in dismissal from the program.*

### **Notification on Internship Placement Hours and Own Agency Placement**

Evening and weekend placements are *extremely limited*. As a result, the Office of Field Education, if necessary, will hold a lottery for students needing such placements. Although every effort will be made to accommodate full-time working students, those students requesting such placements may be required to postpone practicum until such time as an evening or weekend placement becomes available or the student has daytime availability. The School of Social Work is under no obligation to provide such placements. Consequently, practicum placement cannot be guaranteed students who require evening and weekend placements even if a student has had to postpone previously.

The School will allow for students to be placed in agencies in which they are working if those placements meet the School's requirements with which the agency and student must comply. The Employment Setting Practicum Application must be requested within 24 hours of the mandatory field orientation for that semester and then completed and returned to the Field Office within 7 days.

In signing this notice, you are acknowledging that you have read and understood the notification on internship placement hours and own agency placement.
