Logistics:

- Invitation will be sent out by OSAA to students starting at the end of June, copying unit coordinators. Later in the summer, OSAA will send weekly reminders, too. Unit coordinators and academic advisors should also forward to students and remind students.
- OSAA will upload campus resource materials and OSAA presentation to the Stempel Orientation website. All other program-specific materials must be updated on the respective departmental websites, which will be linked to the Stempel orientation website. ***Program website updates must be made and agendas must be provided by the academic units to OSAA in order to link and upload to the website by August 1st.***
- On the day of the event, each unit must have a representative available to help students from the respective units with check in and registration. ***Please provide the name of the representative to OSAA by August 1st.***
- All units are responsible for room and technology set-up for individual break-out orientation sessions, including laptops, mics if needed, etc.
- As in the last academic year, we will provide students with bags including Stempel College swag and some treats.
- Unit coordinators are responsible for informing faculty and staff in their respective areas about orientation and attendance as required by the unit.
- Signage will be provided with directions to GL.
- Irene will reach out to student organizations.
