

# DPD MS and Ph.D. Course List

## Required Supplemental Form issued by the DPD Program Director

<b>DPD Program Institution:</b>	Florida International University, Dept. of Dietetics & Nutrition
<b>DPD Director:</b>	Joan A. Marn, MS, RDN, LDN
<b>Catalog Year for Applicant:</b>	-obtained from unofficial transcript; first year of courses-
<b>Website for Course Catalog:</b>	<a href="http://stempel.fiu.edu">http://stempel.fiu.edu</a>
CHM 1045 & Lab – General Chemistry 1 & lab	
CHM 1046 & Lab – General Chemistry 2 & lab	
CHM 2210 & Lab – Organic Chemistry 1 & lab <b>AND</b> CHM 2211 & Lab – Organic Chemistry 2 & lab <b>OR</b> CHM 2200 & Lab – Survey of Organic Chemistry	
MCB 2000 & Lab – Introduction to Microbiology	
PCB 3702 – Intermediate Physiology <b>OR</b> HSC 3549 – Clinical Physiology for Health Professional <b>OR</b> BSC 2085 & Lab and BSC 2086 & Lab – Anatomy and Physiology I & II	
HUN 2201 – Principles of Nutrition	
HUN 4403 – Life Cycle Nutrition	
HUN 4240 – Nutrition & Biochemistry <b>OR</b> BCH 3033 – General Biochemistry, <b>OR</b> CHM 4304 – Biological Chemistry 1	
HUN 4241 – Advanced Nutrition <b>OR</b> all four Nutrition Core: HUN 6307 – Carbohydrates and Lipids HUN 6327 – Proteins HUN 6335 – Functions of Vitamins HUN 6355 – Minerals in Human Nutrition	
DIE 3244 & Lab – Medical Nutrition Therapy	
FSS 3233C – Institutional Food Service Production	
FOS 4041 & Lab – Food Science	
DIE 4246 & Lab – Clinical Nutrition & lab	
DIE 4435 & Lab – Nutrition Counseling and Communication & lab <b>OR</b> DIE 6368 & Lab – Advanced Techniques in Dietetics Practice	
HUN 5611 – Nutrition Education in the Community (exempt if completed DIE 3434/L Nutrition Education & lab)	
HUN 6522 – Public Health Nutrition <b>OR</b> DIE 3310 – Dietetics in Community Health	
DIE 6128 – Dietetic Administration and Management <b>OR</b> DIE 3125 & Lab – Management of Dietary Systems & lab <b>AND</b> DIE 4365 – Dietetic Management of Nutrition Programs and DIE 4377 – Applied Dietetic Management of Nutrition Programs	
DIE 6568 – Research Methods in Dietetics	
DIE 6937 – Graduate Seminar in Dietetics and Nutrition	
DIE 4963 – Comprehensive Dietetics Examination (required for all students effective spring 2018)	

**KEY:** Shaded area are DPD science courses; others are DPD professional courses.
