

4+1 : BA in Psychology and MPH in Health Policy & Management

What is a 4+1 Program?

Our 4+1 programs offer highly qualified undergraduate students the opportunity to pursue a MPH degree that can be completed in as little as one year following completion of his/her bachelor's degree.

Overview of BA/MPH Program

This program prepares students in the Psychology field with the training and skills necessary to confront policy-based challenges that face the delivery of healthcare. This joint degree will qualify students to promote health, well-being and prevention and to influence public health policy.

Coursework

4+1 : BA in Psychology and MPH in Health Policy & Management

Eligibility Criteria

- ◆ Current enrollment in the **B. A. program in Psychology at FIU**
- ◆ Completed between **75-90 credits** in the bachelor's degree program
- ◆ GRE Scores are not required—optional
- ◆ Minimum **GPA of 3.25**
- ◆ **Two letters of recommendation**, preferably from FIU Faculty
- ◆ **Statement of purpose** discussing research interests
 - ◆ This should include why you have chosen this degree, what interests you about this concentration and how you intend on using the degree once you graduate?

Ready to Apply?

1. Meet with your Academic Advisor to discuss program and verify eligibility.
2. Schedule an appointment with the Graduate Program Director to discuss program requirements, curriculum, and program expectations.
3. Gather and prepare required materials: two letters of recommendation and statement of purpose.
4. Complete and print the top portion of Application for Admission to combined degree program <http://gradschool.fiu.edu/wp-content/uploads/2018/01/4plus1-Application.pdf>
5. Schedule an appointment with the Public Health Coordinator to review and submit required documentation and application for admission.

Please note: Should the application for admission be approved, the student will be asked to pick up the approved application packet and submit it to **FIU OneStop** (SASC 126) along with a \$30 application fee*.

Once accepted into the graduate program, students must be advised by the departmental Graduate Program Director before enrolling in 5000-level graduate courses.

Apply by: July 31 (Fall) | November 30 (Spring)
