TOTAL CREDITS REQUIRED FOR GRADUATION IS 75 CREDIT HOURS.**

Doctor of Philosophy in Public Health Major in Health Promotion and Disease Prevention– Health Disparities Track

Graduation Requirements:

1. Satisfy all requirements for Ph.D. in Public Health with a specialization in Health Promotion and Disease Prevention.
2. Complete a minimum of 75 credit hours of graduate level coursework in approved program.
3. Earn a minimum overall GPA of 3.0 in all coursework completed.
4. Complete Forms D1, D2, D3, and D5 (Dissertation Approval Forms) as per University Graduate School guidelines and deadlines.
Forms can be accessed at <http://gradschool.fiu.edu/students/#Studentforms>
5. Resolve incomplete grades prior to graduation. Resolve failing grades of required courses prior to graduation.
6. Meet with Major Professor to receive Graduation Check prior to final semester.
7. Apply for graduation at the Registrar's Office during registration of final semester. (See University Catalog for most current deadlines).
8. Complete Robert Stempel College of Public Health and Social Work Exit Survey prior to graduation.
9. All work applicable to the degree must be completed within nine (9) years of first enrollment in the doctoral program.

Credit Requirements: Programs leading to a doctoral degree require at least 75 semester graduate credit hours beyond the bachelor's degree and a minimum of 15 credit hours of dissertation. These shall include a minimum of 30 credit hours earned in academic courses that are part of the doctoral program. Doctoral programs normally make use of courses at the 6000 level and above.

Candidacy Examination: Every doctoral degree program (excluding professional doctorates) must require each student to pass a written and/or oral candidacy examination (Comprehensive Examination) before he or she may be admitted to candidacy for the doctoral degree.

Dissertation: A dissertation is required of all candidates for a doctoral degree (excluding professional doctoral degrees). All of the University policies and procedures governing dissertations shall apply including the requirement that the dissertation must be defended publicly at the announced time and place.

Find the Stempel College Catalog here:

[http://catalog.fiu.edu/2017-2018/graduate/Robert Stempel College of Public Health and Social Work/Graduate Health Promotion and Disease Prevention.pdf](http://catalog.fiu.edu/2017-2018/graduate/Robert%20Stempel%20College%20of%20Public%20Health%20and%20Social%20Work/Graduate%20Health%20Promotion%20and%20Disease%20Prevention.pdf)

Transfer Credits:

Doctoral programs may accept up to 20% of the required total coursework, subject to approval of the Program Director, of graduate credit earned from another institution beyond a bachelor's degree. An exception to the 20% limitation is made for courses contained within an earned master's or doctoral degree. For such courses, the maximum is one credit fewer than half of the total credits required for the program. (See the complete policy <https://policies.fiu.edu/files/128.pdf>)

PhD REGISTRATION PROCEDURE

Students must get approval from their Major Professor or PhD Health Disparities Track Coordinator, Dr. Sanchez via email for courses to take each semester. ****Please note that a D1 must be fully approved in order for the Major Professor to approve courses.**** Include Marie Alvarez (Maalvare@fiu.edu) in the email requests so he can provide access to register upon approval. The email should include Panther ID# along with the course #s. Independent Study, Pre-Dissertation, and Dissertation Credits must include the number of credits.
